Introduction

This leaflet provides you with information that you will find useful during your stay. If you are not sure about anything in this leaflet please ask a member of staff.

What is Newton?

Newton is a High Dependency Rehabilitation Unit based at St George's Park in Morpeth.

Who is it for?

The service is for men over the age of 18 years who require a safe and therapeutic environment to help with rebuilding living skills.

Why do I need to be here?

So we can support you in developing your recovery goals enabling you to return to living a more independent life within the community. We aim to provide a safe, supportive and therapeutic rehabilitation environment that helps you to move forward and achieve your recovery goals.

Arriving on Newton

When you arrive you will be welcomed by a member of the care team. They will explain what will happen during your stay and give you information which will include who your named nurse will be. You will be shown around the ward and given plenty of support with settling in.

How long will I be here?

The length of stay very much depends upon your personal needs. The care team will discuss this with you.

What sort of things can I do at Newton?

Our activities and interventions are matched according to your individual needs. We actively encourage patients, family and carers to be as involved as possible in the planning and reviewing of the care and treatment provided.

We will support you with:

- daily living skills
- developing social skills and interests
- improving self esteem and self confidence

- maintaining contact with family and significant others
- managing problems with alcohol and/or drugs
- joining education and vocational programmes
- finding move on accommodation.

Some of the activities we include are:

- cooking
- shopping
- pool
- football
- fishing group
- attending college
- walking groups
- trips to visit local places of interest
- cinema visits
- gym
- arts and crafts

Interpreters

Staff can arrange an interpreter if you need one.
