

Valley View

West Cumberland Hospital

A visual guide

Going somewhere new can be scary.

This is a guide to Valley View at West Cumberland Hospital in Whitehaven.

It will tell you more about the building so you know what it will be like you when you come for your appointment.

This is the building from the outside.

When you arrive you, or the person with you, will tell our receptionist you are here.

We may ask you to wait for a short time in the waiting room.

We will then take you to one of our rooms to talk. Here is one of the rooms we may use.

We hope this has helped answer some of the questions you may have.

If you have any other questions then please contact us.

We look forward to meeting you soon.
