

Our Vision

“To be a leader in the delivery of high quality care and a champion for those we serve”

Our Values: Caring and compassionate | Respectful | Honest and transparent

Our quality goals

Safe

Keeping you safe

Experience

Working with you, your carers and your family to support your journey

Effective

Ensuring the right services are in the right place at the right time to meet all your health and wellbeing needs

Our strategic ambitions

Caring

Working together with service users and carers we will provide excellent care, supporting people on their personal journey to wellbeing.

The Trust will be regarded as a **great place to work**.

Discovering

With people, communities and partners, together we will **promote prevention, early intervention and resilience**.

Working with partners there will be “**no health without mental health**” and services will be “**joined up**”.

Growing

The Trust will be a **centre of excellence** for mental health and disability.

The Trust’s mental health and disability **services will be sustainable and deliver real value** to the people who use them.

Together

Our Council of Governors

The Council of Governors include both elected governors – public, service users, carers and staff and appointed governors from partner organisations. Their role is to:

- Represent the interests of members for the Trust, the public and stakeholders; and
- To hold the non-executive directors individually and collectively to account for the performance of the Board of Directors.
