

# Autism Training Day for Psychiatrists

## 13 March 2019 - Full day

### Novotel Hotel, Newcastle

Northumberland Tyne and Wear NHS Foundation Trust in association with the Royal College of Psychiatrists and Health Education England, are delighted to announce that we will be hosting an Autism training day for Psychiatrists, taking place on **13 March 2019**.

#### Event information:

This training will include essential information for Psychiatrists who aren't specialists in Autism, and will focus on practical information to help Psychiatrists make best use of existing resources.

We will be joined by Ian Davidson (RCPsych Autism Champion), Rachel Moody, Clair Haydon as well as local experts who will cover what services are available locally.

Topics will include:

- Championing Autism
- Avoiding diagnostic overshadowing
- Addressing myths about Autism
- What non-specialist Psychiatrists need to know
- Local available services that Autistic people can use/be referred to

Full programme to follow shortly. Spaces are limited to a maximum of 60 delegates and open to Psychiatrists only.
