

Mental Health and Deafness Service

Information for referrers

A partnership between
Northumberland, Tyne and Wear NHS Foundation Trust
and Tees, Esk and Wear Valleys NHS Foundation Trust

What is the Mental Health and Deafness Service?

A specialised mental health service for deaf people from 18 years onwards, covering Northumberland, Tyne and Wear, County Durham, Darlington and Teesside.

The team comprises:

Joyce Pennington
Clinical Nurse Specialist

Emmanuel Chan
Clinical Nurse Specialist

Cheryl Young
Deaf Support Worker

Donna Rymell
Nurse Therapist

There is also a secretary who works 9am – 5pm Monday to Friday.

Who is the service for?

Deaf and Deafblind people 18 years and older who have a range of mental health issues. Our target group are British Sign Language users but we are happy to discuss other deaf non-BSL users.

How the service works

The service works in partnership with local Community Mental Health Teams, offering assessment, treatment and advice. The local CMHT will take care-coordination/lead professional responsibility as this is not provided by our service.

How to refer

GPs should refer to both the local Community Mental Health Teams and the Mental Health and Deafness Service at Walkergate Park. Then a joint assessment will be offered – contact details are opposite.

We welcome referrals direct from other mental health secondary care teams.

We also welcome informal telephone discussion.

Where are patients seen?

Patients are initially seen at the Community bases, GP surgeries or their homes if appropriate. Further appointments will be in the patients own home or other suitable venues.
