

Fairfield Centre

Carleton Clinic

A visual guide

Going somewhere new can be scary.

This is a guide to the Fairfield Centre at Carleton Clinic in Carlisle.

It will tell you more about the building so you know what it will be like when you come for your appointment.

This is the building from the outside.

When you arrive you will press the buzzer and our receptionist will let you into the building.

You, or the person with you, will tell our receptionist you are here.

We may ask you to wait for a short time in the waiting room.

We will then take you to one of our rooms to talk. Here is one of the rooms we may use.

Here is another room we may use.

We hope this has helped answer some of the questions you may have.

If you have any other questions then please contact us.

We look forward to meeting you soon.
