

Nursing Resources

CNTW Library and Knowledge Services host a collection of books for **Nurses**. Search CNTW Discovery service to find out more: <https://bit.ly/CNTWDiscovery>

Keep track of your favourite journals

It's hard to keep abreast of the estimated 2.5 million articles published each year, but you can see each issue of your favourite e-journal without leaving your desk. Ask the library team how you can receive the contents for your favourite journal into your inbox: library.enquiries@cntw.nhs.uk

BMC Nursing	Journal of Gerontological Nursing
Evidence-based Nursing	Journal of Psychiatric & Mental Health Nursing
International Journal of Mental Health Nursing	Journal of Psychosocial Nursing & Mental Health Services
Issues in Mental Health Nursing	Nurse Education in Practice
Journal for Nurse Practitioners	Nurse Education Today
Journal of Advanced Nursing	Nursing Research and Practice
Journal of Child and Adolescent Psychiatric Nursing	Rehabilitation Nursing
Journal of Continuing Education in Nursing	Research in Gerontological Nursing

An OpenAthens password is your key to full text access to articles, register at: <https://openathens.nice.org.uk/>

Up to date information delivered to your fingertips! If you are interested in recent publications focusing on mental health topics, then contact the CNTW library team to sign up for one or more Awareness Bulletins: library.enquiries@cntw.nhs.uk

Adult Mental Health **Children & Young People's Services** **Dementia & Old Age Psychiatry**
Learning Disabilities **Neurological Services** **Physical Health in Mental Health**

Visit our Discovery platform for more e-resources: <https://bit.ly/CNTWDiscovery>
Search all the library's resources at the same time through a single search box.

To make requests and access other library services, search for 'library' on the intranet.
