

Your Voice

Feedback is very important to us. Fill out our **Your Voice** survey to have your say and comment on the ward or service you have experienced. Your feedback can be anonymous.

We will send you the survey as a link in either:

- an email
- a text message
- or you can ask for a copy

Please make sure we have your correct contact details.

Please speak to a member of staff to let us know how you would like to receive your survey, or to let us know that you would prefer not to receive the survey at all.

The logo consists of three overlapping speech bubbles. The first is light blue, the second is dark blue and contains the word 'Your' in white, and the third is teal and contains the word 'Voice' in white. A fourth, smaller green speech bubble is partially visible behind the teal one.

Your Voice

You can access the survey any time on your phone or tablet at www.cntw.nhs.uk/YourVoice or by scanning the QR code
