

January 2025 – Declaration of Interests

All Trust employees are required to submit their declaration of interest in line with NHS England guidance. They do this via a web portal that provides easy access for staff to view and submit declarations of interest.

Below are all declarations made in January 2025 for our decision-making staff.

Employee Name	Position Title	Consent Flag	Interest Declared	Interest Category	Interest Situation	Interest Description	Comments	Col Date From	Col Date To	Creation Date

Green, Mr. Charles Robin (Robin)	Project Manager	Y	Y	Non-financial professional interest	Outside employment	I have completed a declaration of interest to update previous information submitted in respect to the General Services Association(GSA). This is unpaid voluntary work on the GSA's behalf. The General Services Association is a membership organisation for people who are trained as tutors in the recognition, prevention and management of violence and aggression. The GSA is a company limited by guarantee and has been involved in the recognition, prevention and management of violence and aggression in health and social care since the mid-1990s. The Association's aim is to bring together its members to foster a national and international network of information, support and guidance whilst and developing, influencing and promoting best practice in the prevention and management of aggression and violence. To protect, preserve and assist in protecting and preserving the health and safety of the public, particularly those in need of special care and treatment and those responsible for providing it. The GSA acknowledges the importance to provide financial support to charitable organisations at home and abroad and makes annual donations.		03/06/2024	31/01/2026	06/10/2021
Laws, Dr Anna (Anna)	Consultant Clinical Psychologist	Y	Y	Non-financial professional interest	Clinical private practice	Provision of psychological therapy and clinical supervision outside of NHS working hours.	Potential conflicts and new patients eligible for NHS treatment in my NHS service are discussed in MDT.
