

## Our vision

To work together, with compassion and care,  
to keep you well over the whole of your life.

## Our values

### We are caring and compassionate...

because that is how we'd want others to treat those we love.

### We are respectful...

because everyone is of equal value, is born with equal rights and is entitled to be treated with dignity. We want to protect the rights of future generations and the planet that sustains us all.

### We are honest and transparent...

because we want to be fair and open, and to help people make informed decisions.
