July 2025 – Declaration of Interests (Medics)

Keith Reid	Consultant	Yes	Yes	Financial interest	Visiting Fellow Northumbria University, this is an honorary title. It does not impact on any decisions I make for the trust but I declare it as an external and public interest. They do not pay me. They require me to include them in my paper authorships, but as I understand this does not reduce the “impact” benefit to the trust. (2) Arose 2020. I founded and own a software company to exploit statistical inventions which the trust have agreed to and supported. It makes no money. I have said in good faith that I would hope the services use be used by North East health and social care at cost if it ever makes a profit. (1) Arose 2021. Visiting Lecturer Dundalk Institute: while an honour, this is simply a vehicle for them to pay me for a few hours lecturing per year which I do during annual leave, or pay back by working late. I have been clinically available during the teaching, which has been remote to Ireland. I undertake to act properly in this regard. (1) Arose 2025
