Cookey, Dr Ibifuro Lekia (Furo)	Y	Y	Financial interests	Outside employment	I undertake independent section 12 mental health act work, completing mental health act assessments, outside of my employment and time with the Trust. This is separate to my work as a consultant psychiatrist with crisis team within CNTW, though some patients that I assess independently go on to become patients under a crisis team within CNTW. I generally avoid seeing patients independently who are known to me and are currently under the care of the crisis team that I work with, to minimise any potential conflict of interest. I never see patients independently during my contracted working hours for CNTW.		20/02/2026

Robinson, Mr. Mark Alexander	Y	Y	Financial interests	Outside employment	Bank contract with NHS P (NHS Professionals) as a Professional Educator up to 7.5hrs per week as and when required.	Initial declaration sent as electronic word document to Mr Marc House (Early January 2026) Unfortunately this was not the correct method of completing the declaration and this method was advised and completed today. There is no specified end date as yet to the NHSP Bank contract. When/if available I will update this document. I am unsure if 'Financial Interests' is the correct category as there are no conflicting financial ties with NHSP and CNTW (as far as I am aware), where a conflict of interest would be found. I am however remunerated for my extra work therefore was advised that this was the correct category?	15/12/2025
